## Terms and Conditions of Participation

In order to participate at our archery sessions, you agree to the following terms:

1. I hereby declare that I (or the participant) have never had a firearm or shotgun application refused or such a certificate revoked. I also declare that I (or the participant) is/am not a person prohibited by virtue of Section 21 of the Firearms Act 1968.
2. I acknowledge and understand that, as with all adventurous activities, there are dangers and risks associated with the activities provided. I understand that the club holds appropriate public liability insurance, and will provide equipment and instruction appropriate to the age and capabilities of the participants; however the club cannot accept responsibility for injury or damage arising from the activity unless proven negligent. I therefore agree to indemnify the club and its agents and officers, from and against any and all liability incurred as a result of participation in the activities.
3. All participants must follow the club's Rules of Shooting at all times, which may be subject to change. The instructors reserve the right to exclude any participant from the session at any time for unsafe behaviour, which is determined at the instructor's sole discretion.
4. All participants under the age of 18 must be brought to each session by a parent or legal guardian (who can sign them into the session), and the parent or guardian must remain at the venue unless specific permission has been granted by an instructor.
5. It is the responsibility of the participant (or their parent/guardian) to notify the instructors of any medical conditions or injuries which may affect their ability to participate at any session.
6. In certain circumstances to ensure safety, it may be necessary for minor physical contact between the participant and the coach. This will only happen when there is no non-contact alternative.
7. We occasionally take photographs at club sessions. We will ask permission before taking photographs which specifically feature an individual, however it is possible that other participants may appear in the background of any photographs we take, or in shots which feature a wide scene. We will never name or identify anyone in photographs we take.
8. You must arrive at the session before the start time. Session fees are non-refundable; however if you need to move a booking in exceptional circumstances, contact us at least 48 hours in advance and we may (at our sole discretion) offer to move it to another date. If you make a booking for a session and do not provide at least 48 hours notice of a cancellation (which includes a late arrival), the session is forfeit.

I agree to the above terms and conditions of participation, and I declare that the information I have provided is true and complete. I agree to notify the club if there is any significant change in my/our circumstances and I will keep up-to-date with the club's rules and Covid-19 procedures.
